Good Deal Games' Homebrew Heaven - Atari 5200 Videogames

Atari, Inc. was an American video game developer and home computer company founded in 1972 by Nolan Bushnell and Ted Dabney. Primarily responsible for the formation of the video arcade and modern video game industries, the company was closed and its assets split in 1984 as a direct result of the Video game crash of 1983

Atari, Inc. - Wikipedia

The Atari Flashback was released in 2004. The console resembled an Atari 7800 in appearance and came with a pair of controllers which resembled those of the Atari 7800, though they were slightly smaller.The system had twenty games built-in, all originally developed by Warner Communication's Atari Inc. and Atari Corp. for the 2600 and 7800 game systems.
