The Audi A1 (internally designated Typ 8X) is a supermini sized launched by Audi at the 2010 Geneva Motor Show. Sales of the initial three door A1 model started in Germany in August 2010, with the United Kingdom following in November 2010. A five-door version, called Sportback, was launched in November 2011, with sales starting in export markets during spring 2012.

The rear wiper on my 2002 A4 avant has had a hissy fit, it started by stopping short of its seat for a few seconds and then restarting and stopping in the correct place, this happened for a few days and now it stays on constantly, there is no obvious relay, I have bought a new switch but I am loathed to fit it as there is a good chance that is not the cause of the problem, any ideas please.
