

Boing 757 Study Guide

The Study Guide on this website is a simple .pdf file and the audio files are .mp3 files. Caution! The Study Guide is out of date and there have been many changes since February 2018. Do not expect any updates until after Aerodocs is released in Summer 2019 and, if Aerodocs works out, expect some big changes to the Study Guide as well.

Boeing 757-767. The Boeing 757-767 Study Guide is a compilation of notes taken primarily from flight manuals, but also includes elements taken from class notes, computer-based training, and operational experience. It is intended for use by initial qualification crewmembers, and also for systems review prior to recurrent training or check rides.

Boeing 757-767 Study Guide - pilotstudyguide.com

Welcome. This site is by a pilot for pilots. It presents a consistent format study guide for four different commercial airline types. These guides have proven effective for thousands of airline pilots over a twenty-five year period, and are now available to the general aviation community through this site.
