Honda is a well-known Japanese automotive manufacturer that was founded in 1946. While it is famous for its vehicles, Honda is also the world's largest manufacturer of internal combustion engines, producing more than 14 million units per year.

### **Print & Online Honda Car Repair Manuals - Haynes Publishing**

Honda takes a lot of anti-theft precautions with its vehicles, and these precautions can make do-it-yourself car repair--such as removing the vehicle's ignition switch and key lock cylinder--challenging. You have to deal with security issues and shut off power so you can work and with the actual hardware removal.
