Cisco ® Unified Communications Solutions unify voice, video, data, and mobile applications on fixed and mobile networks, enabling easy collaboration every time, from any workspace.. Product Overview. Cisco IP Communicator (Figure 1) is a Microsoft Windows-based soft-phone application that brings your work telephone to your personal computer.

### **Cisco IP Communicator 8.6 - Cisco**

Most books on VoIP security focus on generic issues such as call signaling and media security. Cisco IP network professionals need more than that: they need real-world detail for securing specific Cisco IP telephony equipment, infrastructure, and applications. Securing Cisco IP Telephony Networks provides all that and more.
