

**Flotec Pool Pump Capacitor Wiring**

Luis Posted: 5/12/2019 Latest. I have a 1Hp UST1102 Century pool motor that bought last year around March 2018. I just can't remember who I bought it from. Anyway, my motor gets real hot to the touch and then it turns off.

**How To Troubleshoot a Pool Pump Motor - Motor Overheated ...**

I replaced my 1 hp pool pump motor over the weekend. I installed exactly the way it came out, but the motor will not come on. I had an electrician friend test for power at the leads on the motor and it is receiving power.
