The conceptions of history have been almost as numerous as the men who have written history. To Augustine Birrel history is a pageant; it is for the purpose of satisfying our curiosity. Under the touch of a literary artist the past is to become living again. Like another Prospero the historian waves his wand, and the deserted streets of Palmyra sound of the tread of artisan and officer ...

The Church of the Nazarene traces its anniversary date to 1908. Its organization was a marriage that, like every marriage, linked existing families and created a new one. As an expression of the holiness movement and its emphasis on the sanctified life, our founders came together to form one people. Utilizing evangelism, compassionate ministries, and education, their church

The recorded history of sign language in Western societies starts in the 17th century, as a visual language or method of communication. Sign language is composed of a system of conventional gestures, mimic, hand signs and finger spelling, plus the use of hand positions to represent the letters of the alphabet. Signs can also represent complete ideas or phrases, not only individual words.
