

### **International Harvester A Collection Of**

The International Harvester Company (abbreviated first IHC and later IH) was a United States manufacturer of agricultural machinery, construction equipment, trucks, automobiles, and household and commercial products. Its reorganized successor, after spin-off of several of those businesses, is Navistar International.. In 1902, J.P. Morgan merged the McCormick Harvesting Machine Company and ...

The modern combine harvester, or simply combine, is a versatile machine designed to efficiently

harvest a variety of grain crops. The name derives from its combining three separate harvesting operations—reaping, threshing, and winnowing—into a single process. Among the crops harvested with a combine are wheat, oats, rye, barley, corn (), sorghum, soybeans, flax (), sunflowers and canola.
