Nonetheless, as reliable as they are, there is no such thing as a car that is immune to faults. Having a reliable service manual to consult in order to ensure that a small problem does not mushroom into a larger one means that you will be able to keep your Renault running for longer, and possibly even fix a fault by the roadside if necessary.

The Megane III was equipped with three types of transmission: 5-/6-speed manual, 6-speed automatic and 6-speed Dual clutch transmission. The Renault Megane touches on its strong points with clever conviction, understanding just how creative and stylish it can appear to be. To those of us in America, the Megane is obviously exotic.
