

Rover Mini Mini Cooper Full

The Mini is a small economy car produced by the English-based British Motor Corporation (BMC) and its successors from 1959 until 2000. The original is considered an icon of 1960s British popular culture. Its space-saving transverse engine, front-wheel drive layout – allowing 80% of the area of the car's floorpan to be used for passengers and luggage – influenced a generation of car makers.

Classic Mini Cooper | eBay

Mini (stylised as MINI) is a British automotive marque, owned by BMW since 2000, and used by them for a range of small cars. The word Mini has been used in car model names since 1959, and in 1969 it became a marque in its own right when the name "Mini" replaced the separate "Austin Mini" and "Morris Mini" car model names.

Used MINI Cars. First launched in 1959, the MINI has come a long way since its days as a strictly functional and affordable city car. With an upmarket interior, good performance and sporty, nimble handling, it now sits at the more premium end of the market, and, unlike the very first MINI, is an all-round performing small car.
