We love all ding-dongs, but we especially love a nice uncut cock! We get lots of pics from guys that want to hook up or be in videos and I have noticed something odd with approximately 75% of the photos that guys send us; specifically uncut guys, they send us hot pics of their face, body, ass, and cock BUT the dick pic is often times blocked or hidden.

With a suite of features that work just as well for retailers as they do for quick-serve restaurants and cafes, it's no surprise that Square (see our review) makes the list. Square has a major presence with quick-serve businesses and cafes, but it's also common among retailers and mobile service businesses thanks to its versatility.
