In a mid-day memo to its dealer network last Friday, Volvo Trucks announced that it will no longer be selling its 16-liter D16 engine in the North American market anymore, citing “diminishing ...

### **No more Volvo D16, no more Mack Titan | Fleet Owner**

GREENSBORO, NC — Volvo Trucks North America has discontinued North American production of the 16-liter Volvo D16 engine. A statement from the OEM says the decision is the result of limited market demand for this engine displacement and the long-term investment that would be required to maintain the D16 for the unique operating requirements of the North American market.
